Introduction to Trend Trading

• Trend traders do not care about fundamentals • Trend traders don't care much for analyst projections • Trend traders don't even care what the company sells They're just looking for good movement on a regular basis Below is a chart of Halliburton, symbol HAL Here is an example of a chart based potential trade The technical

How to Trade Intra-Day Gold and S&P500 with Low Risk Setups

Most traders avoid using intraday charts because they either: 1 Think it's day trading and do not want to sit in front of the computer all day 2 Do not understand how to trade in these "intraday" time frames Intraday trading is one of the most over looked yet most profitable trading strategies, in my opinion
