Baby Care: Absolutely Every Thing You Need to Know About Your Baby's First Year May 07 2020 If someone asked me to name one miracle that exists on this earth, I would say the miracle of bringing life onto this earth. I did not know how beautiful it was till I saw my own sister go through the entire process of pregnancy and giving birth to this angel that brought happiness to our lives. Being a parent is the hardest thing to do in this world and I congratulate you on being one. In this hard but wonderful journey of raising a baby we could do with all the help we could get. One reason why I decided to write a book on this topic is that seeing how important it is to take care of small details when you have a newborn in your laps, I thought a book like this would really help parents with small problems that may arise with the baby. I know how hard it is when you have a baby and you don't have your mother around to help you with your questions, I hope my book will help answer those little questions.

The Last Thing You Surrender Jan 27 2022 Three Americans in the Jim Crow South face enormous changed triggered by World War II in this epic novel by the Pulitzer-winning author of *Freeman*. Could you find the courage to do what's right in a world on fire? An affluent white marine survives Pearl Harbor at the cost of a black messman's life only to be sent, wracked with guilt, to the Pacific and taken prisoner by the Japanese. A young black woman, widowed by the same events at Pearl Harbor, finds unexpected opportunity and a dangerous friendship in a segregated Alabama shipyard feeding the war. Meanwhile, a black man, who as a child saw his parents brutally lynched, is conscripted to fight Nazis for a country he despises and discovers a new kind of patriotism in the all-black 761st Tank Battalion . . . Set against a backdrop of violent racial conflict on both the front lines and the home front, *The Last Thing You Surrender* explores the powerful moral struggles of individuals from a divided nation. What does it take to change someone's mind about race? What does it take for a country and a people to move forward, transformed? Praise for *The Last Thing You Surrender* "A story of our nation at war, with itself as well as tyranny across the globe. It's an American tapestry of hatred, compassion, fear, courage, and cruelties, leavened with the promise of triumph. A powerful story I will not soon forget." —James R. Benn, author of the Billy Boyle WWII mysteries "Seamlessly integrates impressive research into a compelling tale of America at war—overseas, at home, and within ourselves, as we struggle to find the better angels of our nature. Pitts poignantly illustrates ongoing racial and class tensions, and offers hope that we can overcome hatred by refusing to sacrifice dignity." —Booklist, starred review

The First Thing You See May 19 2021 Imagine you are a young mechanic living in a small community in France. You own your own home, and lead a simple life. Then, one evening, you open your front door to find a distraught Hollywood starlet standing in front of you. This is what happens to Arthur Dreyfuss in the village of Long, population 687 inhabitants. But although feigning an American accent, this woman is not all that she seems. For her name is Jeanine Foucamprez, and her story is very different from the glamorous life of a star. Arthur is not all he seems, either; a lover of poetry with a darker past than one might imagine, he has learnt to see beauty in the mundane. *THE FIRST THING YOU SEE* is a warm, witty novel about two fragile souls learning to look beyond the surface - for the first thing you see isn't always what you get!

That Thing You Do With Your Mouth Aug 10 2020 In *That Thing You Do With Your Mouth*, actress and voiceover artist Samantha Matthews offers—in the form of an extended monologue, prompted and arranged by New York Times–bestselling author (and Matthews's cousin-by-marriage) David Shields—a vivid investigation of her startling sexual history. From her abuse at the hands of a family member to her present-day life in Barcelona, where she briefly moonlighted as a dubber of Italian pornography into English, Matthews reveals herself to be a darkly funny, deeply contemporary woman with a keen awareness of how her body has been routinely hijacked and how she has been "formatted" by her early trauma. Her story is a study of her own uneasy relationships with female desire, her tormentors, and her lovers—with whom she seeks out both the infliction and receipt of harm. This book is an attempt, sometimes self-thwarted, to break down barriers: sexual and emotional for Matthews, and literary for Shields. For Matthews and Shields, the only response to the unspeakable is to speak, to do that thing you do with your mouth, as directly and honestly as possible. Their provocative performance refuses neat resolution or emotional pornography; it will

The Thing You Think You Cannot Do Nov 12 2020 What are we afraid of and what can we do about it? Fear--of change, of intimacy, of loss, of the unknown--has become a corrosive influence in modern life, eroding our ability to think clearly. Exploited for power by politicians and for money by the media, it has become embedded in the way we think about our lives. Overcoming our fear, says Gordon Livingston, constitutes the most difficult struggle we face. Dr. Livingston, a psychiatrist, has increasingly found himself prescribing virtues like courage to his patients instead of tranquilizers or antidepressants. Now he tells us all what we need to do to develop personal virtues in the face of societal fear and our own individual fears. And he does this with the crystalline prose and leavening wit that have made him an internationally bestselling author. As the celebrated novelist Mark Helprin has said of Dr. Livingston: "To read him is to trust him and to learn, for his life has been touched by fire, and his motives are absolutely pure."

The First Thing About You Nov 05 2022 A high school student with spinal muscular atrophy is determined to reinvent himself in a hilarious and poignant debut from an exciting new voice. When fifteen-year-old Harris moves with his family from California (home of beautiful-but-inaccessible beaches) to New Jersey (home of some much-hyped pizza and bagels), he's determined to be known as more than just the kid in the powered wheelchair. Armed with his favorite getting-to-know-you question ("What's your favorite color?"), he'll weed out the incompatible people—the greens and the purples, people who are too close to his own blue to make for good friends—and surround himself with outgoing yellows, adventurous oranges, and even thrilling reds. But first things first: he needs to find a new nurse, stat, so that his mom doesn't have to keep accompanying him to school. Enter Miranda, a young nursing student who graduated from Harris's new high school. Beautiful, confident, and the perfect blend of orange and red, Miranda sees Harris for who he really is—funny, smart, and totally worthy of the affections of Nory Fischer, the cute girl who's in most of his classes. With Miranda at his side, Harris soon befriends geeky Zander (yellow) and even makes headway with Nory (who stubbornly refuses to reveal her favorite color). But Miranda is fighting her own demons, and Harris starts to wonder if she truly has his best interests at heart.

The One Thing You'd Save Jan 03 2020 If your house were on fire, what one thing would you save? Newbery Medalist Linda Sue Park explores different answers to this provocative question in linked poems that capture the diverse voices of a middle school class. Illustrated with black-and-white art. And some change their minds when they hear their classmates' responses. A lively dialog ignites as the students discover unexpected facets of one another--and themselves. With her ear for authentic dialog and knowledge of tweens' priorities and emotions, Linda Sue Park brings the varied voices of an inclusive classroom to life through carefully honed, engaging, and instantly accessible verse.

The One Thing You Need to Know Apr 29 2022 Drawing on a wide body of research, including extensive in-depth interviews, THE ONE THING YOU NEED TO KNOW reveals the central insights that lie at the core of: Great Managing, Great Leadership and Great Careers. Buckingham uses a

wealth of relevant examples to reveal that at the heart of each insight lies a controlling insight. Lose sight of this 'one thing' and all of your best efforts at managing, leading, or individual achievement will be diminished. For great managing, the controlling insight has less to do with fairness, or team building, or clear expectations (although all are important). Rather, the one thing great managers know is the need to discover and then capitalize on what is unique about each person. For leadership, the controlling insight is the opposite - discover and capitalize on what is universal to all your people, regardless of differences in personality, race, sex, or age. For sustained individual success, the controlling insight is the need to discover what you don't like doing, and know how and when to stop doing it. In every way a groundbreaking work, *THE ONE THING YOU NEED TO KNOW* offers crucial performance and career lessons for business people at every level.

Chain Letter to America: the One Thing You Can Do to End Racism Sep 10 2020 What this book is about is raising conscious awareness to our collective humanity and respective contributions to our country, with added focus on our multiculturalism and fundamentally our shared...constitutional ideology: that we are all created equal... In the midst of political and racial divisions in America, I heard a republican congressman speaking to the media, he said: "With open eyes, open ears, open mind and you walk away with some understanding..." while honoring our first amendment right to freedom of expression...through open minded and open hearted conversations... If you take one thing away from reading this book, I hope it's that our numerous races, ethnicities, beliefs and values manifested through comparative historical and contextual exploration can serve as a miscible advantage or a harmonious mixture when added together ... a reconciliatory nod to our past and a meditative extrapolation, interjection and celebration of our ...United States or 'US'. Enjoy!" Praise for Jacques Fleury's "Chain Letter to America..." "A powerful strike on the doors of Justice. The courageous author painted his vision, and suggested understanding and consciousness of our historic and present social reality. Before anybody from any medical society in the Roman Empire, a descendant of a slave performed the first major open heart surgery in America. There is an axiom: 'Know the cause of the illness, and you will be able to apply the proper medicine.' I know this: When we understand that we are the Human Race, there will be no place on Earth for Eris and Ares. Please, keep fueling the wings of Your Quill, and let the world know that it soars safely ~ blown by winds of reality, and aesthetical light. In reverent appreciation..." —Andre Emmanuel Bendavi ben-YEHU --Poet, Translator "Quite a tirade of prose and poetry of the state of the United States in the early 21st century. I thought we would be beyond all that, but it has come back to haunt us. I was enthralled with every word. Jacques Fleury's scholarship and writing ability are far above the average. Really worth paying attention to...a metaphor for refugees from all kinds of calamities trying to find a safe place, a calm place in their life where they can rest and think of the life around them... Inspiring words about the harshness and beauty... all around us ... Fleury really said a load in this broadly sweeping exposé of modern life awakening. It's good to see his superlative writing again... Kudos!" —Ronald W. Hull, Ed.D, Author of *Hanging by a Thread* "I grew up in a black, white, and yellow world... Differences in color and nationality are what makes life interesting. I go to a very diverse church because I know that's what Heaven is going to be like... as for color, I am not blind but I am so grateful the Lord made us diverse as it's a blessing and not a curse. In His eyes, all of us matter. I Praise Him for giving me such wisdom." — Dr. John M. Domino Author of *Reflections from the Great Depression and WWII* "Polarization and violence in our country make increasingly urgent a greater understanding of our history. No one can confidently predict that things will return to 'normal', or that non-racist forces will seamlessly replace President Trump after his one or two terms in office. So what lessons and what inspiration from our past can we draw upon to help us in our present circumstance?" —Neil Calendar, Adjunct Professor of English, Roxbury Community College

He's a short, fiery red-head who works in the arts and wears sneakers held together with duct tape. If it weren't for the fact that Theo is his best friend's little (literally) brother, Jeff would be crossing the street to avoid him. Theo, meanwhile, has nothing but contempt for guys in suits, and seems to have deliberately set out to make Jeff's life miserable, all while grinning at him in that exasperating--some might say irresistible--way that he has. At least it's hard for Jeff to keep moping over his ex when he's butting heads with Theo--and suddenly wondering if the last guy he'd ever fall for might be exactly that . . .

You Are Your Best Thing Aug 29 2019 NEW YORK TIMES BESTSELLER • Tarana Burke and Dr. Brené Brown bring together a dynamic group of Black writers, organizers, artists, academics, and cultural figures to discuss the topics the two have dedicated their lives to understanding and teaching: vulnerability and shame resilience. Contributions by Kiese Laymon, Imani Perry, Laverne Cox, Jason Reynolds, Austin Channing Brown, and more NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE AND BOOKRIOT It started as a text between two friends. Tarana Burke, founder of the ‘me too.’ Movement, texted researcher and writer Brené Brown to see if she was free to jump on a call. Brené assumed that Tarana wanted to talk about wallpaper. They had been trading home decorating inspiration boards in their last text conversation so Brené started scrolling to find her latest Pinterest pictures when the phone rang. But it was immediately clear to Brené that the conversation wasn't going to be about wallpaper. Tarana's hello was serious and she hesitated for a bit before saying, “Brené, you know your work affected me so deeply, but as a Black woman, I've sometimes had to feel like I have to contort myself to fit into some of your words. The core of it rings so true for me, but the application has been harder.” Brené replied, “I'm so glad we're talking about this. It makes sense to me. Especially in terms of vulnerability. How do you take the armor off in a country where you're not physically or emotionally safe?” Long pause. “That's why I'm calling,” said Tarana. “What do you think about working together on a book about the

Black experience with vulnerability and shame resilience?" There was no hesitation. Burke and Brown are the perfect pair to usher in this stark, potent collection of essays on Black shame and healing. Along with the anthology contributors, they create a space to recognize and process the trauma of white supremacy, a space to be vulnerable and affirm the fullness of Black love and Black life.

That Thing You Do With Your Mouth Feb 13 2021 In That Thing You Do With Your Mouth, actress and voice-over artist Samantha Matthews offers—in the form of an extended monologue, prompted and arranged by New York Times bestselling author (and Matthews's cousin once removed) David Shields—a vivid investigation of her startling sexual history. From her abuse at the hands of a family member to her present-day life in Barcelona, where she briefly moonlighted as a dubber of Italian pornography into English, Matthews reveals herself to be a darkly funny, deeply contemporary woman with a keen awareness of how her body has been routinely hijacked, and how she has been “formatted” by her early trauma. Her story is a study of her uneasy relationships with female desire, her tormentors, and her lovers—with whom she seeks out both the infliction and receipt of harm. This book is an attempt, sometimes self-thwarted, to break down barriers: sexual and emotional for Matthews, literary for Shields. For them, the only response to the unspeakable is to speak, to do that thing you do with your mouth, as directly and honestly as possible. Their provocative performance refuses neat resolution or emotional pornography; it will have readers, from literary critics to Jezebel commentators, raving, raging, celebrating, talking.

The Big Thing Jul 21 2021 A New York Times business journalist explains why it's important for people to pursue big creative projects, and identifies both the obstacles and the productive habits that emerge on the path to completion—including her own experience writing this book. Whether it's the Great American Novel or a groundbreaking new app, many people want to create a Big Thing, but finding the motivation to get started, let alone complete the work, can be daunting. In The Big Thing, New York Times business writer and editor Phyllis Korkki combines real-life stories, science, and insights from her own experience to illuminate the factors that drive people to complete big creative projects—and the obstacles that threaten to derail success. In the course of creating her own Big Thing—this book—Korkki explores the individual and collaborative projects of others: from memoirs, art installations, and musical works to theater productions, small businesses, and charities. She identifies the main aspects of a Big Thing, including meaningful goals, focus and effort, the difficulties posed by the demands of everyday life, and the high risk of failure and disappointment. Korkki also breaks down components of the creative process and the characteristics that define it, and offers her thoughts on avoiding procrastination, staying motivated, scheduling a routine, and overcoming self-doubt and the restrictions of a day job. Filled with inspiring stories, practical advice, and a refreshing dose of honesty, The Big Thing doesn't minimize the negative side of such pursuits—including the fact that big projects are hard to complete and raise difficult questions about one's self-worth. Inspiring, wise, humorous, and good-natured, The Big Thing is a meditation on the importance of self-expression and purpose.
